Benediction

We, the Old Union Ministers School Committee, would like to cordially invite you to the 2025 Missions Conference. This is held in conjunction with the Old Union Ministers School and is open to everyone. We hope that our sister churches will encourage their members to attend and report back with updated information on mission works across the United States as well as in several other countries.

Current missionaries are invited to prepare portfolios concerning their mission works to be displayed throughout the Ministers School. We also invite these missionaries to speak about their work during the Missions Conference. To allow time for everyone who wishes to speak, we ask that each report be limited to about 10 minutes.

In addition, we invite our missionaries to create a video up to 30 minutes long with a more detailed look at the work in which you are involved. We will take these videos and post them on our social media accounts and website for them to have a greater reach. If you would like to take part in this, please note it on the registration form and email us at [minscool@oumbc.org](mailto:minscool@oumbc.org).

***If you plan to speak, you MUST sign up at <https://oumbc.breezechms.com/form/39a64f>.***

Please spread the word to anyone who might be interested in attending this year's services. We would be glad to have you!

In Christian Love,  
The Old Union Ministers School Committee
